## ZYMO P holding tank treatment for RV's & Boats

**kills odours**

no formaldehyde ·  
no ammonia · no harsh chemicals

rapidly liquefies holding tank solids

**eliminates odours**

wont damage PVC plumbing in RV's or boats

**non toxic - biodegradable  
environmentally safe**

very economical to use - up to 60 treatments per 1 lb. jar  
3 in 1 - cleans - deodorizes - digests

**ZYMO P...**

...is a bacterial laden powder that goes to work immediately.  
...breaks down proteins, carbohydrates, animal and vegetable fats, oils, and cellulose for effective waste digestion and odour reduction.

...keeps level sensors clean.

...prevents accumulation of sludge - scum grease and other organic solids and eliminates the need for any other level sensor cleaners, odour control products or digesters.

...is formulated specially for use in all RV and Marine Black and Grey water tanks, Marinas, Campgrounds and Porta-toilets.

...is acceptable at all dump stations.

**super concentrated bacterial formula**

CCD-114
